ABOUT ME

Creative and detail-oriented Graphic Designer, Videographer, and Video Editor with a BBA (CA) background, skilled in blending design, storytelling, and technical expertise to deliver impactful visual content. Experienced in both agency and freelance projects, with a strong portfolio spanning branding, digital marketing, and promotional media for diverse industries. Adept at translating client requirements into engaging designs and videos that enhance brand identity and digital presence.

EXPERIENCES

Digital Pluto | Aug 2024 - Present

Social Media Manager

- At Digital Pluto, I worked as a Graphic Designer, Videographer, and Video Editor, creating visually engaging graphics, branding assets, and marketing collaterals while planning, shooting, and editing high-quality video content for social media and campaigns. I combined creative storytelling with professional editing to deliver impactful content, ensuring brand consistency across all digital platforms.

Freelancer | June 2024 - Present

- I collaborated with different client categories including Food & Products, Tours And Travels, Real Estate, and Media. My work involved designing creative graphics, branding assets, and promotional materials, along with planning, shooting, and editing engaging video content tailored for social media, marketing campaigns, and brand storytelling.
